

PACIFIC COAST CUTTING HORSE ASSOCIATION

Congratulations to PCCHA 2010 Hall of Fame Members

PCCHA Hall of Fame, by Tara Madgwick

The PCCHA Hall of Fame is designed to recognize and honor those who have contributed and made a positive impact on the cutting industry. This year four people were inducted into the Hall of Fame, including, Rock Hedlund, Frank & Bonnie Martin, and Scott Weis.

Rock Hedlund

Growing up with cutting horses has made cutting Rock Hedlund's life. Hedlund started cutting at an early age of 14 where he was quickly named the AQHA Youth Cutting World Champion. While he started cutting purely because his parents did not want him riding rough stock, Hedlund has now been training horses for over 30 years.

As a NCHA Hall of Fame rider, Hedlund is a two time NCHA World Champion and Reserve World Champion. He has an excess of 1.5 million dollars in earnings and won numerous PCCHA Year-End Championships.

Hedlund has also been involved with the cutting horse industry outside of the arena. He served at the PCCHA President in 2008, been a PCCHA/NCHA director, and NCHA judge for many years.

Hedlund finds PCCHA to be a very special association, "the special thing about PCCHA is the people, friends, and family that are involved."

Being one of the newest members in the PCCHA Hall of Fame means a great deal to Hedlund, "I am very honored to be inducted to the Hall of Fame. I feel very fortunate to be included in a list of people that have done so much for PCCHA."
